Publications or About Wolfensberger's Work

I did not author the following works, but they consist almost entirely of writings by me, some of which are edited reprints of earlier publications.

1. Gaventa, W. C., & Coulter, D. L. (Eds.). (2001). The theological voice of Wolf Wolfensberger. Binghamton, NY: Haworth Pastoral Press.

Six out of 8 chapters are by myself.

(Co-published simultaneously as Journal of Religion, Disability & Health, 2004, 4(2/3).)

2. Race, D. G., (Ed.). (2003). Leadership and change in human services: Selected readings from Wolf Wolfensberger. London/New York: Routledge.

An edited and interpreted compilation of 33 of my writings, from 1965-2002.
